

**Disclaimers:**

Students, in consultation with their parents/guardians, their home school guidance counselors and their academic guidance departments, are responsible for selecting the courses that are administered at St. Patrick Summer Academy. St. Patrick Summer Academy will not liable for a course that is chosen in error by either the student or parent/guardian.

It is therefore the responsibility of the student and parent/guardian to provide a detailed description of all courses to St. Patrick Summer Academy for review prior to registration to ensure that the registered courses meet the hourly requirements and academic requirements required for said course.

Students should seek advice regarding their course selections, hourly and academic course content from their subject teachers and the Guidance Department of their home school. Identified students are advised to consult with their Special Education teachers before making their selections. It is also recommended that students speak with teachers to ensure their selections are appropriate for their learning needs.

Students and parents/guardians are encouraged to consider the abilities and interests of the student, prerequisites and diploma requirements, and post-secondary goals when making course selections.

It is important to make these course selections carefully, as these choices will make up the student's timetable for the 2007-2008 calendar years. Once classes begin in July, students will not have an option to change or reselect a course. Students will have 3 days after classes begin to make necessary course changes. The administrative fee for all course changes is \$7.00 and will not vary no matter the circumstance. However students should be aware that changes may not be possible if courses are full or if the timetable is beyond the 3 day course change timetable

If the student and/or parent/guardian select a course in error, the fee for course changes will be automatically applied and will be subject to late fees and penalties. It is hereby stated that St. Patrick Summer Evening Academy will not be held liable or responsible for obtaining academic course content. It is solely the responsibility of the student to select the proper courses with regard to course description, course level, course content or course hourly requirements.

I Agree to Comply with the Above Disclaimers
